

The drawing shows a sewerage network with several key components:

- Manholes:** Labeled 85da, 85db, 85dc, 86d.
- Pipes:** Various diameters and materials are indicated, such as Dn400PP, Dn400, and concrete (bet.).
- Slopes:** Percentages like 11%, 10%, 2.00%, and 2% are shown along pipe segments.
- Existing Infrastructure:** Includes "Istniejący wylot  $\phi$  900 zlokalizowany na działce o nr ew. gruntów 961/4 obręb 0013 Strzemieszyce Wielkie".
- Proposed Structures:** "Proj. studzienka przebiegająca na istniejącym przepisie" and "Proj. separator PEK FILTER NS n10+2000 Qn=10l/s".
- Topography and Boundaries:** Elevation points (e.g., 282.5, 284.7, 285.1) and land parcels (e.g., 970/2, 961/4, 969/5) are marked.
- Other Features:** A yellow highlighted area indicates a specific zone, and various labels like "W149a+", "W149b+", and "Lz" are present.
